

"Começar de Novo" (Ivan Lins/Vitor Martins)

"The Island" (Alan & Marilyn Bergman)

Começar de novo
E contar comigo
Vai valer a pena
Ter amanhecido
Ter me rebelado
Ter me debatido
Ter me machucado
Ter sobrevivido
Ter virado a mesa
Ter me conhecido
Ter virado o barco
Ter me socorrido
Começar de novo

To start anew
I will count on me
I will pay the penalty
To have daybreak
To have rebelled
To have debated
To have been hurt
To have survived
To turn the tables
To know myself
To turn the boat
To save myself
To start anew

Começar de novo
E contar comigo
Vai valer a pena
Ter amanhecido
Sem as tuas garras
Sempre tão seguras
Sem o teu fantasma
Sem tua moldura
Sem tuas escoras
Sem o teu domínio
Sem tuas esporas
Sem o teu fascínio

To start anew
I will count on me
I will pay the penalty
To have daybreak
Without your claws
Always to be safe
Without your ghost
Without your frame
Without your chains
Without your domination
Without your spurs
Without your seduction

Começar de novo
E contar comigo
Vai valer a pena
Já ter te esquecido
Começar de novo

To start anew
I will count on me
I will pay the penalty
To forget you
To start anew

Make believe we've landed
On a desert island.
Bathe me in the waters,
Warm me in the moonlight,
Taste me with your kisses,
Find my secret places,
Touch me till I tremble,
Free my wings for flying
And catch me while I'm falling.
Keep your arms around me
Like there's no tomorrow.
Let me know you love me.

On our little island
Not a soul can see us.
Show me how to love you.
Teach me how to please you.
Lay your dreams beside me.
Only stars will listen
To our cries and whispers.
You were made to love me
And I was made to love you.
Keep your arms around me
Lose yourself inside me.
Make it last forever.

I can see the island
Shining in the distance.
Now were getting closer.
Keep your arms around me.
Oh now were almost there.

Ooooh.
On our little island
Not a soul can hear us.
Silently exchanging
Fantasies and feelings.
Endlessly exploring
Learning one another
till the morning finds us.
You were made to love me
And I was made to love you.
Keep your arms around me,
Lose yourself completely,
Make it last forever.

Keep your arms around me,
Lose yourself completely,
Make it last forever.
I can see the island
Shining in the distance.
Now were getting closer.
Just keep your arms around me.
Come my love...
We're there.
